PROJECT HORIZONS

DEVELOPING THE DESIGN ENTRY

I am proud to present my submission, Project Horizons. This design represents a culmination of my experiences, varied working background, and higher education. I would like to extend my heartfelt thanks to the organizers and judges of this contest. Your efforts in hosting such an inspiring event have provided a wonderful platform for creators like myself to showcase our ideas and talents. I have thoroughly enjoyed this opportunity to present my unique blend of skills and to contribute to an exciting and innovative conversation. Thank you for your dedication and for providing this incredible opportunity.

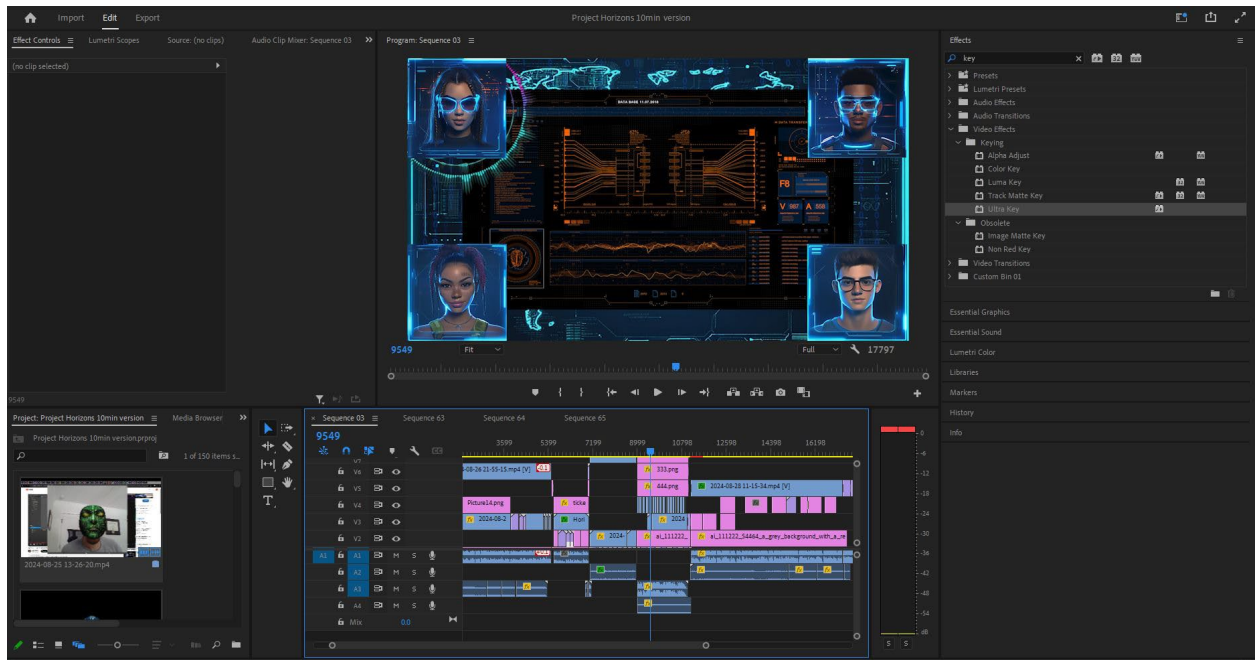

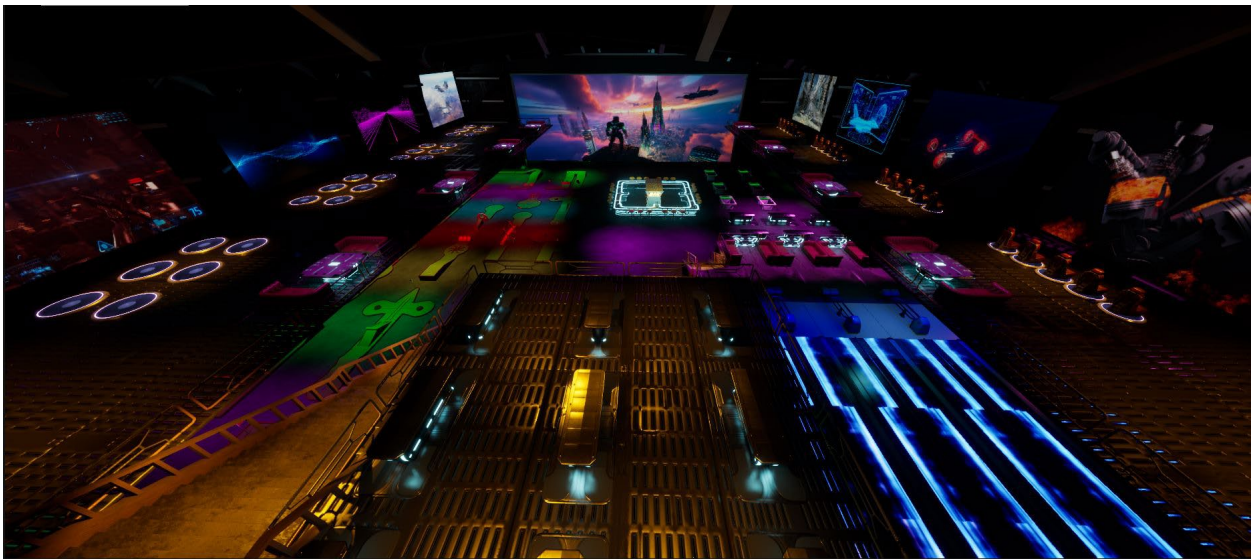

Thank you,

Erick Mahnke IV

Resources Used

Below, I've listed some of the resources and tools used to create this project proposal. These tools have been instrumental in developing a comprehensive and detailed plan for Horizons, ensuring all aspects of the proposal are visually appealing and effectively presented.
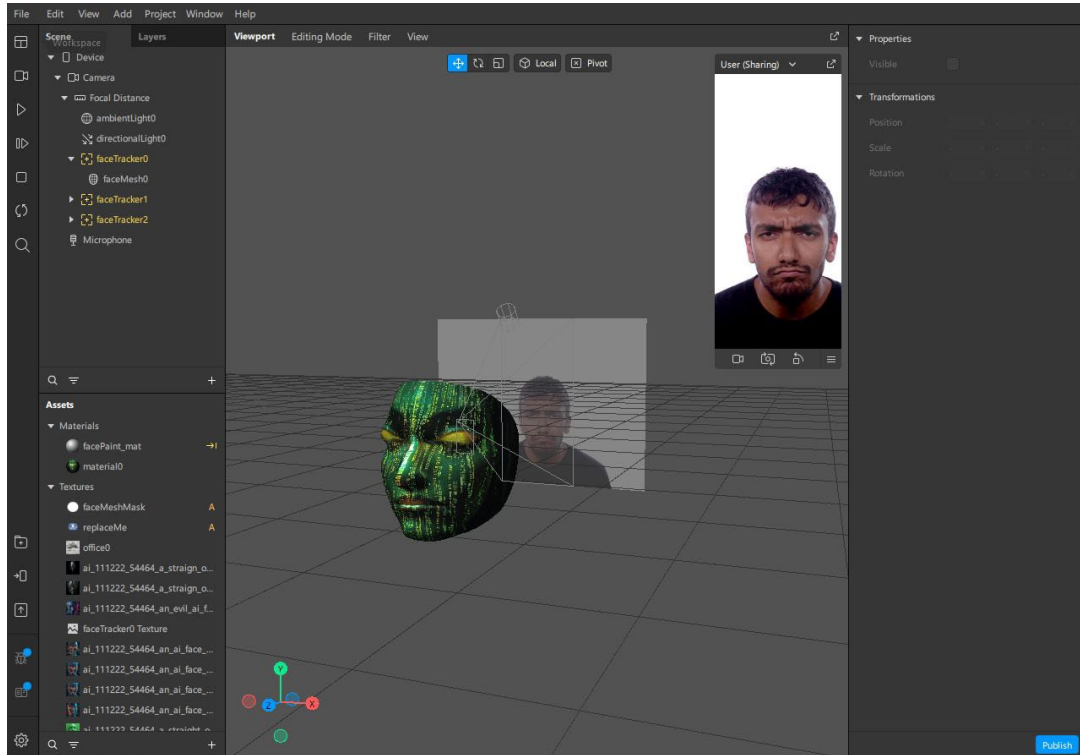

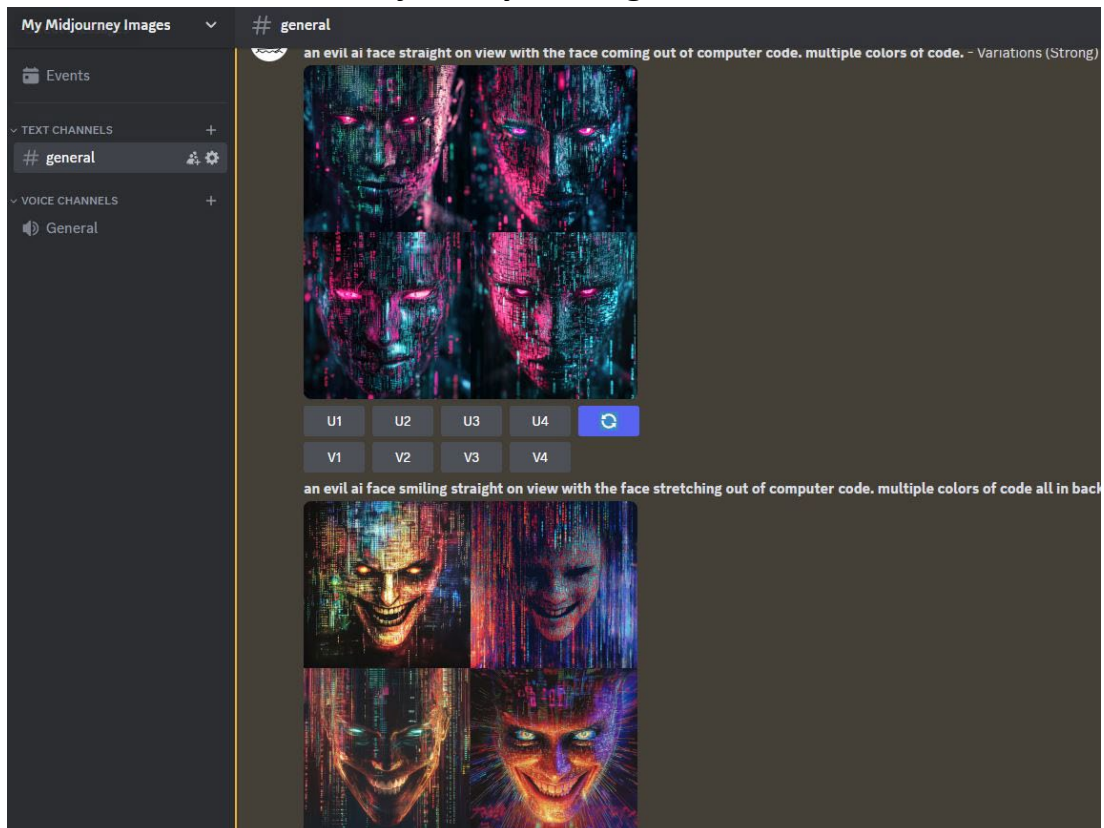

Adobe Premiere Pro, Photoshop, and After Effects

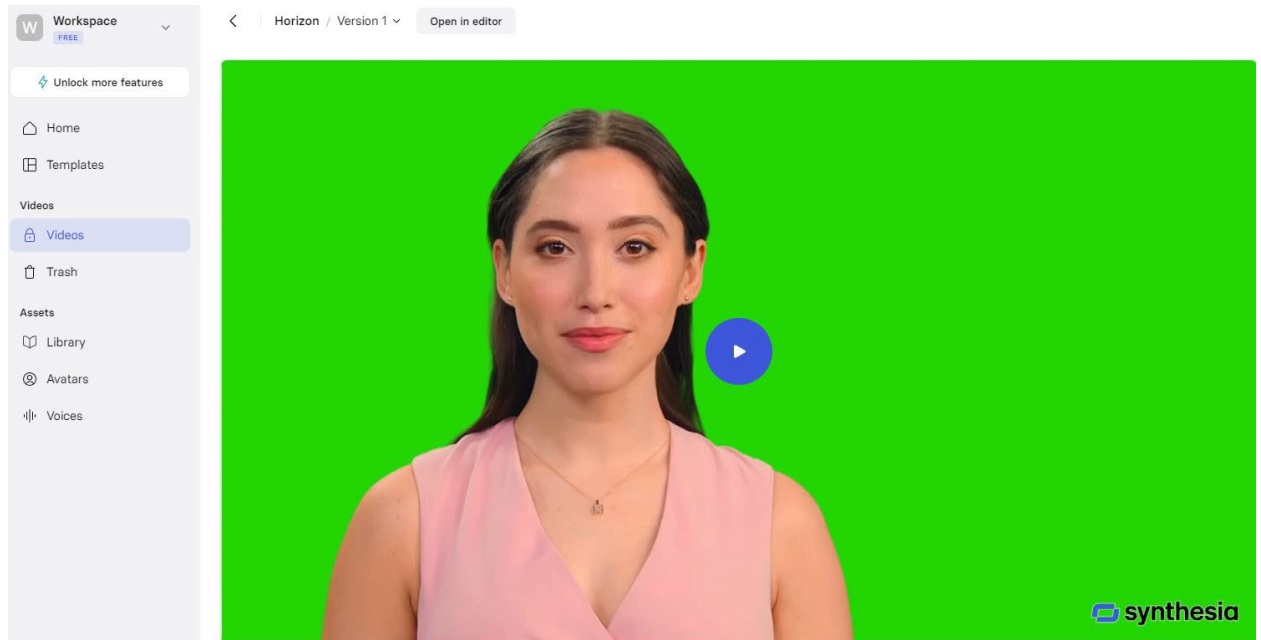

Unreal Engine 5

Meta Spark AR

Midjourney AI Image Generator

Synthesia AI Character Generator

Runway AI Video Generator
