Mr. Ricupero,

Please find enclosed your transit pass and required documents for your upcoming trip to Gateway Orbital Station, via the International Space Elevator. It is important for you to read and thoroughly understand all rules and regulations for transit above the elevator and for your time at both the Multinational Terrestrial Tether Facility and Gateway Orbital Station. Failure to follow all rules, regulations and safety requirements will result in your arrest and return to Earth.

We are certain you will find your time aboard Gateway Orbital Station a relaxing and awe-inspiring one; never before has it been possible to experience the edge of space in such a relaxed manner. We have taken the liberty of enclosing some travel information about your upcoming trip, which we're sure you will find information and interesting.

You will also find an inventory of items that are currently not allowed aboard the elevator, nor aboard Gateway Orbital Station. Please be sure to pack accordingly, as your luggage and personal belongings will be inspected prior to your departure.

When you arrive at either Mogadishu or Kismayo, you are required to check in with the ISEP Office of Natural and Cultural Resources prior to boarding your maglev or surface rail transportation to the MTTF. Direct transit by shuttle or airplane to the MTTF is currently not available.

Thank you again , and we look forward to seeing you for your upcoming trip.
